D = Duck Hunting Day D/G= Duck & Goose* Hunting Day			
* Goose season may close early if the dusky Canada goose harvest meets or exceeds the Refuge's quota.			
** Select blinds near bald eagle nests may be closed early during January to limit nesting disturbance.			
*** Youth Hunt Day: Only youth hunters (under 16) will be issued reservations for the morning hunt (see website for details). General public hunting resumes at noon with a ping pong ball lottery to determine blind assignments for unoccupied blinds.
